There are not enough words to express how much I love this series. Just when you think the characters have no way out, the twists take the book in a whole new direction. LOVE IT!! Keep it up Carolyn!ReaderwhitAmazon ReviewerI love this series, HAVOC is the second book in this series and it is better than the first. Allthe characters that we love from the first book return in the sequel. This book has everything that a good religious thriller should: Ancient Biblical Mysteries and Prophecies: Secret Religious Fanatic Groups that will go to any length to keep their secrets, Scientist and archeologists, Special Forces and lots of fighting, Danger and thrills in many different locations.Eclectic BookwormBlog ReviewerI enjoyed every page. Action from start to finish with plenty of twists, hold your breath and hang on ride. I will be looking for more of her books to read today! Moose Amazon ReviewerOverview:What if the Tablets of the Ten Commandments were not sent off in the Ark. What if they contained more than the Golden Rule? Rebecca and Brandt go on their greatest adventure trying to stay one step ahead of a new vicious enemy, the Disciples of the Stone.More praise for Havoc...This book was exciting. The truth it seems was stretched a bit but

without that stretching it wouldn't have been as good a story as it was. I loved the ending. Jacke Leffe Amazon Reviewer Thoroughly enjoyed this follow-up to 30 Pieces of Silver. The twist with Brandt & Rebecca kept things moving. Lopez played to a tee. Can't wait for the next in the series... there has to be another.
