

The Ultimate Revenge: Conclusion to the Simon Trilogy (Volume 3)

The Ultimate Revenge is the explosive conclusion to The Simon Trilogy that has held political thriller readers tightly in its grasp. The authors earlier books, Brotherhood Beyond the Yard and Nobles Quest, provide an exhilarating platform for the launch of this final chapter of a gripping narrative that challenges the reader to put the book down. The ever-elusive Simons daring escape from a high security prison allows him to add unheard of dimensions to the classic cat and mouse game he has played with Noble, the SIA Director. The manhunt for Simon engages two geniuses and a collection of talented operatives, all immersed in a chase with more twists and turns than a rodeo bull. In the process chicanery and double-dealing at the highest levels is unfolded, continuing some of the manipulations of the earlier books. Max, Nobles trusted partner, comes into her own, as she uncovers startling evidence and suggestive connections that reveal the nations power grids are at risk. Of greater significance, are the hidden agendas of some of the worlds most powerful recognized leaders to pursue their goals toward a supra-national one-world government under the guise of global warming. Simon, the deposed President Baari, and the Jihadists find themselves sharing the same boat, each driven by separate motives but all resulting in a potential disastrous national emergency of huge proportions. The future of the United States is precipitously at stake. The capture of Simon becomes the highest priority as he continues to elude his captors with his usual bag of tricks. Meanwhile, Noble staves off a massive national emergency with his technical prowess. Simon, finally cornered, provides an explosive ending to a fast-paced trilogy that is not for the faint of heart.
