

## Kingdom of Players (Book 6) (S. W. Tanpeppers GAMELAND)

**SERIES DESCRIPTION:** In the center of Long Islands zombie wasteland, overseen by a megalithic corporation known as Arc Properties, is a virtual reality gaming arcade: GAMELAND Its here that the rich pit the Undead against each other in a high stakes game of violence, money and power, all for the entertainment of the masses. On a whim, six young computer hackers decide to sneak onto the island, hopeful of catching a glimpse of the uncontrolled Infecteds, victims of the outbreak there a decade earlier. But while breaking into The Game is easier than any of them could have ever imagined, getting back out turns into one hell of a killer.

**EPISODE 6: Kingdom of Players** Armed with a potential antiserum to the reanimation virus, Jessica races back to Gameland to save her infected friend. Waylaid along the way, she must fight for her life to save another. Will she make it back in time? Or will her friend die and return as one of the Undead? This episode approximately 41,000 words (roughly 150 pages) Not recommended for readers under the age of 15 The entire 8-episode package is also available for a one-time purchase at significant cost savings: GAMELAND Episodes 1-8 (S.
