

## Qb VII

In Queens Bench Courtroom Number Seven, famous author Abraham Cady stands trial. In his book *The Holocaust* --born of the terrible revelation that the Jadwiga Concentration camp was the site of his family's extermination--Cady shook the consciousness of the human race. He also named eminent surgeon Sir Adam Kelno as one of Jadwiga's most sadistic inmate/doctors. Kelno has denied this and brought furious charges. Now unfolds Leon Uris riveting courtroom drama--one of the great fictional trials of the century.
