

Quiet Storm

Sasha Lancaster has had the shock of her life. Her daughter Madison just died from pneumonia and she was only seven days old.... But as one sister is mourning the loss of her child, another sister Shayla Jackson is rejoicing the fact that she just found out she is pregnant with twins by the man of her dreams! There's just one problem... He is engaged to her new business partner Michelle Reynolds. All this drama takes place in Washington D.C. This fun and sexy book weaves lies with love, deceit with truth, teaching us all to remember the old saying keep your friends close and your enemies closer.
