

Marea trecere (Romanian Edition)

Al doilea volum din Trilogia Frontierei, ce cuprinde romanele All the Pretty Horses (Calutii mei, caluti frumosi, Polirom, 2011) si Cities of the Plain (1998). Actiunea romanului Marea trecere este plasata spre sfirsitul anilor 30, inainte si in timpul celui de-al Doilea Razboi Mondial. Billy Parham, protagonistul, un cowboy aflat la virsta adolescentei, prinde in capcana o lupoaica, dupa ce aceasta atacase vitele de la ferma familiei sale. Dar, in loc sa o omoare, hotaraste sa o duca inapoi in tinuturile de unde venise, strabatind intinderile nesfirsite de prerie si muntii aflati la granita cu Mexicul. Calatoria lor curajoasa, prin locuri inspaimintator de pustii, insa atat de frumoase, ajunge in impas din clipa in care dau peste oameni. Baiatul devine martor al unor intimplari la limita dintre basm si cosmar, intr-o lume marcata de atita cruzime si violenta, incit nu pare a fi guvernata decit de legea implacabila a mortii.
