

Woodworking Projects With and For Children (Building Confidence Book 2)

This book was written by an expert carpenter with more than 50 years experience in both heavy construction and finishing work. This is a book of woodworking projects for the do-it-yourselfer to build with and for his children. The nine projects can be enjoyed by children while constructing them as well as afterwards when they are completed. The Building Confidence series: 1. Understanding Construction Basics 2.
