

Reckoning at Rainrock

West central Nebraska, late 1880s: Harriet Munro, a fiery woman lawyer, takes the case of beautiful young Roxanne a desperate fugitive fleeing a trumped-up murder conviction and a hangmans noose. Harriet calls upon Lone McGantry, former Indian scout and tracker, to deliver Roxanne to Rainrock, a town in the northwest corner of Nebraska near the fabled Toadstool Badlands, where she will face re-trial. McGantry succeeds, however, town conspirators plot to divert justice yet again. Before it is over, trusts are betrayed, bullets fly, lives are lost, and McGantry rides again to Roxannes rescue until, within the stark, hauntingly empty badlands, scores are settled and a bloody reckoning is finally achieved.
