

Christmas Reclaimed

In this very short, sweet story, a six-year-old girl gives her own money so a little boy, deaf since early childhood, will have a gift to open on Christmas morning. Ten years later the two meet again, in the same bookstore where they first saw each other. An emergency leads to a painful misunderstanding, and another ten years pass before they meet once more. Can these two wounded hearts find trust, forgiveness and the spirit of Christmas again?
