

Love, Sex and Blood: The Jamaican American Thug Drama Saga Book 5 (Volume 5)

Our love is written in blood This love will be the death of me, is Jev Vaughn's mantra as he grows wiser and more mature but even more strong willed and unwilling to let go of what may ultimately destroy him, his true love for Dre. After surviving near death experiences, with strong support from their friends; Dre and Jev Vaughn must weigh the odds and make one of the biggest decisions yet - split for Jev Vaughn's safety... or follow their bliss and stay together, ultimately risking everything with several enemies after their lives. Can Dre summon the courage to permanently break things off with his soul mate Jev Vaughn, to prevent him from being another bloody victim of the dark world he's deeply rooted in...? Or will Jev Vaughn remain solidly at Dre's side and together face the bloody and grim fate that is being magnetically pulled towards them with an unrelenting dark force? The fifth instalment in the Jamaican American Thug Drama Saga will leave you breathless, on the edge and craving for more.
