

## Night Hawks (TAC Leader) (Volume 2)

All that is necessary for the triumph of evil is that good men do nothing. Edmund Burke It began in the ruins of the Mayan city of Tulum, moved to the swamps of Louisiana and ended on the California coast. A defrocked priest, child sex slaves, and a multi-headed international conspiracy of evil face Doc Roberts, Warlord, Psycho and the rest of the TAC Team. TAC Leader NIGHT HAWKS is the story of ordinary people doing extraordinary things again. They choose honor over their own safety. Courage over complacency. They pull no punches, cut no slack; all leading up to a hail of bullets. They are politically incorrect when it comes to the elimination of evil, and delivering justice for victims and their families.
