

## Resurrecting a Ghost: Coming Home

What does it feel like being haunted by someone who never wanted to come home? Except for revenge? Officer Jay Coppel has worked dozens of cases, everything from robbery to homicide. This is the case no officer wants as it hit all too close to home. His father, shot down by a vicious motorcycle gang in an apparent retaliation for some long forgotten wrong is on life support. Tommy Coppel, Jays older brother, finally comes home. Unbeknownst to the family, especially Jay, Tommy was tasked by their father to carry out a specific duty; one that may haunt everyone for life. For Jay, Time has already begun for him to discover what his big brother plans to do and has done. Coming Home is a chilling beginning of the forthcoming five part series Resurrecting A Ghost, by Conrad Wolfe. Coming Home begs the questions of how far a man will go to protect his family, and how far another will go to stop him.
