

## The Laws of our Fathers (Kindle County)

It was another drive-by shooting in one of Kindle Countys most drug-plagued housing projects but the victim was the ex-wife of a politician. Now this explosive case is about to reunite an unlikely group of men and women who first bonded in the revolutionary fires of the 1960s ... and show a once-crusading female judge, driven by both her fears and her courage, just how devastating a single wrong choice can be ... Moving ... compelling ... wonderfully colourful New York Times Turow is in a category of his own San Francisco Chronicle
