

# Revisiting Paradise

Revisiting Paradise is set in Jamaica. The story unfolds through the eyes of a young child, who shows an appreciation for nature. The book attempts to illustrate how life is viewed as one matures, the protagonist starts out being a child who enjoys simplicity. She later grows into an adolescent who learns from the mistakes of her family members. Friendships, Family life and associations of various forms are addressed and their importance emphasized. The books also illustrates the obstacles faced by the protagonist and her family, the coping mechanisms they employed and how they eventually overcame.
