

Once There Was a King (Annotated)

When we were children there was no need to know who the king in the fairy story was. The thing that made a seven-year-old boy's heart go thump, thump with delight was this one sovereign truth, this reality of all realities: Once there was a king. Rabindranath Tagore (1861-1941) was an educator, social reformer, poet and novelist. In 1913, he was the first non-European author awarded with the Nobel Prize for Literature.
