

Highroad Guide to Georgia Coast & Okefenokee (Highroad Guides)

Coastal travelers looking to explore everything from remote backcountry to the more well-known and popular sites will find the Highroad Guide to the Georgia Coast and Okefenokee indispensable. This reference work is perfect for first-time visitors as well as seasoned explorers. Whether you want to hike across a beautiful barrier island, camp in the remote coastal wilderness, fish in the golden marshes, or tour a historic fort, this book leads you to the best the coast has to offer. It brings together the natural history and features of the coast in a format that is easy to use and packed with detailed information. The indispensable guide to the best the Georgia Coast & Okefenokee have to offer. -Features the best natural areas, lodging, and restaurants that make the Georgia coast special. A useful companion for hikers, bikers, campers, fishermen, boaters, wildlife watchers, and history buffs who want to learn more about Georgia's beautiful and wild coast. A complete index makes planning a trip to the coast easy. -Highlights the geology, flora, and fauna of hundreds of sites where amateur naturalists will learn more about the Georgia coast's rich natural and human heritage. Includes special sections on Savannah and the Okefenokee Swamp. -Outdoor enthusiasts can use the Highroad Guides series to plan excursions to other coastal areas including the Florida Keys and Everglades and the Chesapeake Bay. The mountain series highlights North Carolina, Tennessee, and Virginia.
