

Ripped Dollars 2

Over three years have passed, and finally Tone is once again a free man. After doing his time in the Feds, he returns to Philadelphia to find that nothing is the same. His best friend is gone and things have changed between him and the love of his life; Lotta. Through all the ups and downs, Tone still has his half of the ripped dollar, but will it be enough to help him hold onto true love? Lotta has grown in many ways, but unforeseen events have forced her to make serious changes in her life. The indictment of her father Roc shakes everything up and leads Lotta on a journey filled with drama, violence, and betrayal as she is forced to learn to survive on her own. Will a chance encounter with Tone change everything for her, or just make her situation even worse?
