

Rogue Enforcer (Rogue Submarine Book 5)

RENEGADE... WARRIOR...
FUGITIVE... Former U.S. naval officer Jake Slate is on a downhill slide into alcohol, self-pity, and rage. A decade of life as a mercenary submarine commander has left him exhausted, bitter, and utterly disgusted with the world. When a drunken brawl leaves his opponent dead in the parking lot of a seedy bar, Jake needs to run away. From his crime... From his country... From himself... For international arms dealer Pierre Renard, Jake's meltdown couldn't possibly have come at a better time. Renard is planning to start a war against a major European military power, and he needs Jake Slate to light the fuse. Book 5 of the Rogue Submarine Series... Rogue Avenger (2005), Rogue Betrayer (2007), Rogue Crusader (2010), Rogue Defender (2013), Rogue Enforcer (2014), Rogue Fortress (2015), Rogue Goliath (2015), and Rogue Hunter (2016). This novel is part of the Rogue Submarine fiction series, launched in 2005 by John Monteith, a former military officer and naval warfare instructor. Beginning with Rogue Avenger, the books are titled in alphabetical order for ease of reference. Although the stories are best read in sequence, each installation is written for enjoyment as a standalone adventure.
