

## BEAST (MMA Bad Boys Book 1)

Im a man no one fucks with. Im a man all the bitches want. Im also the world champion of MMAMafia style. I dont get my name from winning, I get my name for my size. I am a BEAST, Im also the one your fathers warn you little girls about. BEAST Beast has had his life set for him for an early age, he was pushed into training to fight the worlds best. His father had his eyes on the dollar signs while he forced his son into the brutal world of MMA. He was trained hard, and he became the best. But the bosses have changed the rules and the rules are about to fuck him over. He will bring hell down onto the MMA circuit and he will become top man. But will he gain the power he deserves? Or is everything hes worked so hard for been for nothing? Carlotta is a fierce woman whose life hasnt been quite straight cut. But she leads her path in the right direction, sort of. When the opportunity arises to make extra money to fund her passion, she takes it. She trains. She fights. She wins. Meeting Beast was an unpleasant experience, and her dislike for his egocentric and arrogant behaviour rubs her the wrong way, but her curiosity is piqued and she cant remove him from her mind. Will their one night of passion lead to anything? Or will being in the MMA lifestyle tear them apart before they get started? Who will win the ultimate battle of hatred and anger? Will they fight for their passion or will it come crumbling down around them with severe consequences?
