

A Far Justice

Gus Tyler was a prolific Air Force F-15 pilot, flying missions during the Gulf War. Nearly two decades later, he is accused of war crimes committed on the infamous Highway of Death in 1991. Disgraced, he is put on trial before the International Criminal Court in The Hague. With the world watching, he is a man under a microscope, trapped in a geopolitical storm. Faced with a powerful and relentless prosecutor and an international press that declares his guilt before the opening arguments are made, Tylers fate seems certain. But Tylers lawyer and his son Jason refuse to give up. Can Tyler defend his name and defy the court? To do so he will have to seek justice in the wild and lawless slaughterhouse of the Southern Sudan. A Far Justice is an action-packed novel from a master writer of aviation thrillers.
