

## Black Eagle Force: Sacred Mountain

At last, a black ops not encumbered with hampering Rules of Engagement. - JAMES PATTERSON President Annette Henry Thompson, the first woman president of the United States has been kidnapped by Mexican and al Qaeda terrorists. Secretary of Defense Baker tasks Dare Phillips and the Black Eagle Force to go deep into Mexico in the southern Sierra Madre Mountains to effect her rescue. The BEF is in the air within thirty minutes of the abduction with their giant C-5M airborne battle carrier, four Black Eagle VTOL M600/A fighters and twenty-four members of their ground force, the Raptors, with their massive 180 pound war dog, Bear. May God have mercy on the terrorists souls, because the Black Eagle Force will not. Thrills, action, danger, treachery, romance, tragedy and surprises! Its all in Black Eagle Force - Sacred Mountain.
