

Sagrado

O milionario Trevor Stone recentemente perdeu a mulher num acidente de carro. Logo depois, descobriu que sofre de um cancer torturante e fatal. Como se nao bastasse, sua filha Desiree, bela e deprimida, desaparece sem deixar vestigios. E entao que Stone contrata Patrick Kenzie e Angela Gennaro, a famosa dupla de detetives de Boston que protagoniza outros quatro romances de Dennis Lehane. Kenzie e Gennaro descobrem a existencia de uma seita, a Igreja da Verdade e da Revelacao, que promete alivio para as inquietacoes existenciais de seus seguidores - entre os quais se encontrava Desiree. Seguindo outras pistas, a dupla parte para Tampa, na Florida, onde Jay Becker, o melhor detetive de Boston, que trabalhava na investigacao, tambem sumiu. A partir dai, Kenzie e Gennaro se veem enredados em informacoes desconstruadas, encaram perseguicoes em alta velocidade, descobrem negocios escusos que envolvem trafico de heroína e tentam aclarar as contradicoes da personalidade multipla da garota desaparecida e do passado - nada limpo - de quem os contratou. Gracias a profundidade psicologica e a contundencia narrativa de suas historias, Dennis Lehane vem sendo comparado aos grandes classicos do romance policial, como Dashiell Hammett e Raymond Chandler. O filme baseado em Sobre meninos e lobos - Mystic River , de Clint Eastwood, deu a Sean Penn o Oscar de melhor ator em 2004.
