But wait! Theres more: In addition to the full-length novella SARAH PALIN: VAMPIRE HUNTER, this ebook includes three bonus stories by Dan McGirt: BEGINNERS LUCK A comical tale of terror. Launching a career as a serial killer isnt as easy as the movies make it look. HERO WANTED A special preview excerpt of the first six chapters of Dan McGirts humorous fantasy epic. Humble woodcutter Jason Cosmo finds himself declared his worlds most wanted outlaw. Forced to flee his home in Lower Hicksnittle and pursued by bounty hunters, demons, and the Dark Magic Society, Jason has no choice but to team up cynical wizard Mercury Boltblaster to learn the awful truth behind the price on his head. RAINY DAZE A Jason Cosmo adventure. In this mini-novel set between chapters of HERO WANTED, reluctant hero Jason Cosmo, wizard Mercury Boltblaster, and the beautiful twins Sapphrina and Rubis learn that ducking into a mysterious cavern to escape an epic rainstorm may not be the best idea they ever had.
