

## Secrets: The Hero Chronicles (Volume 1)

--This book was written for junior high/high school age readers as well as all who are young at heart--The Midwest lies in complete ruins after a catastrophic disaster kills tens of thousands and leaves hundreds of thousands injured. Nicholas Keller emerges out of the devastation as a shining light of hope for all. But his newfound fame comes with a price that his aunt will not let him pay. They flee into the shadows in order to protect his secret. However, as Nicholas begins his sophomore year at his fifth school in five years, strange and unexpected things begin to happen. He soon tumbles into a web of doomed love, extraordinary talents and a secret past, which threatens the lives of everyone he cares about. Its up to Nicholas to confront the truth, even if it means his own death.
