

## Selected Plays of Padraic Colum (Irish Studies)

A collection of four plays that span Colums career: *The Land*, *The Betrayal*, and two of his Noh plays, *Glendalough* and *Monasterboice*. At the age of twenty-three, Padraic Colum (1881-1972) was one of the founding fathers of the Abbey Theatre. His contribution to the development of Irish drama continued until his voluntary exile to America in 1914. His play, *Broken Soil* (1903), was the first commercial success at the Abbey, and it established the long-lived tradition of the peasant play on the Irish stage. This collection comprises the three major forms of his dramatic art: *The Land* (1905); *Betrayal* (1912); and two of his five Noh plays (a five-play cycle containing poetry and prose following the Yeats and Japanese Model), *Glendalough* (based on the career of Charles Stewart Parnell), and *Monasterboice* (based on the early life of Colums lifelong friend, James Joyce).
