SHAKEDOWN: Coup De Grace (Book 3)
A violent war has darkened downtown Orlando and Patrick Washington is at the center of it all. His attempts to strong-arm the owner of Club Metropolis only brought a war to the city and the cops to his doorstep. Luckily, he's smart enough to know when to bail, and Columbia, South Carolina was as good a place as any other to escape the follies of Orlando. Patrick may be in a new city, but his goal remains the same: make money, by any means necessary. As power and influence are back within his grasp, Patrick tries to rebuild what was once his. But he must do so before his enemies close in and leave it all in ruins.
