

## Praise the Lard (The Rachael OBrien Chronicles Book 7)

Book seven of THE RACHAEL OBRIEN CHRONICLES is Rachael's last year of college, but before classes begin her grandmother's stately home is burgled and a rare book of prophecies is defaced with a menacing message threatening the family. Soon skeletons from the past are tumbling out of the closet implicating Rachael in a string of murders. When her psychic mother vanishes and a strange old key is delivered without a return address she is left to wonder if there's a link. With forces from the past threatening, can Rachael rely on unlikely liaisons to escape an inherited vendetta in Paisley Ray's PRAISE THE LARD?
