

## My Husbands Dead Wife Lives (Schoolmarm Sheriff Book 2)

My Husbands Dead Wife Lives, is a complete story in itself and can stand alone without the series. It simply takes place after Book # 1 (Revenge at Two Feathers Mine) in a new town, retaining only four of the original characters. Thinking himself to be a widower, Sheriff Colin McMaster has married Katrina Colby, his deputy from the town of Two Feathers, (she is commonly called K. C.). Upon arriving at their new town of Sempers Pass, Colin is shocked to meet up with his former wife Amelia, who had believed Colin to be dead and so married Jean-Paul Quebedeaux. He meets his daughter whom he had thought had died just before birth. How does he tell K. C. that his dead wife is alive? How does Amelia tell her husband that Colin is alive? What do they tell their children? To whom are they married? To whom belongs their allegiance? As the year progresses, the complexities of the McMaster and Quebedeaux families grow. Does even the Bible have answers for these hard questions that seem to reach down and squeeze the life out of the very souls of these two families?
