

Side Chic 3: (The Ratchetness Continues)

After learning that Tre has been shot, Lala and Kisha are both faced with the horrible reality that he may not make. Lala is a nervous wreck as she waits to find out Tre's fate. Kisha, on the other hand is pissed to find out that Tre and Tamika have been creeping behind her back. She feels betrayed yet again and not just by anybody but by the woman who claimed to be her best friend. Will she be able to put her anger aside long enough to find out if Tre will pull through or will she allow her ratchet side to rear its ugly head. In Boykins there aren't many secrets and everyone knows everyone so Mina's abusive relationship with ex-boyfriend Mello is no secret at all. When Mello is locked up for assault and violating his probation, Mina feels that it is time to get out and mingle. At this point she is only concerned with doing her at any cost. Boykins has seen a lot of drama and ratchetness but it's about to get worst!
