

Simple Toys

Simple Toys is a practical book containing the complete plans to make eight timeless wooden toys, all of which are suitable for children to play with and treasure. One of the projects has been fully detailed, with illustrated step by step instructions to show just how easy all the toys are to make without the need of expensive tools and machinery. Renowned toy makers Colin and Ann Carlson are members of the British Toy Makers Guild and winners of the BTG Cup and the Longleat cup in 2003.
