Earth, which he had perfumed with his virtues, kept only his body and the fruitful seed of his words. His sons in the spirit grew meantime, and multiplied among the Peoples, for the blessing of Abraham was upon them. All the life of man is full of pain, and there is no surcease of sorrow. If there be aught better elsewhere than this present life, it is hid shrouded in the clouds of darkness.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
