

While You Were Sleeping #1 (BDSM Erotica)

Landon and Ariana are in a bit of a rut as their 7-year wedding anniversary approaches. While relaxing into the passion and honesty of a date night inside their condo, they make a pact that will kickstart their sex lives... Ariana gives her husband Landon free reign to have his way with her in the middle of the night, awaking her with any fantasy that he can dream up. Armed with love, trust and a safe word, this instantly revolutionizes their relationship. That is, until some strange occurrences indicate that they may have awakened a lurking threat... EXCERPT:

That brief moment of fear transformed into pure, unadulterated horniness at this display of strength that her husband just exhibited. The trust she felt in allowing him to throw her around like a rag doll turned to a craving to submit to him. Every instinct in Ariana's womanly body screamed for her to claw the intruders clothing off with her teeth and let him have his way with her mouth before finishing inside of her. F---, me daddy, Ariana said with sexual emotion that even she didn't know that she possessed. Ariana had never called Landon, or any man for that matter daddy her entire life. But the pure dominance he exhibited brought it out of her before doubt even had a chance to cross her mind. The raw, manly edge of becoming this alluring intruder had earned Ariana's submission and she was ready to be bad for him in all of the ways that she could dream up. Did I ask for you to speak? Landon, her sexy intruder asked in a tone that she had never heard from him before. Uh oh. Ariana felt herself tense up, but she did not respond. Speak, the intruder ordered. No, Ariana responded. No, who? the intruder interrogated. She already knew. No, daddy, Ariana responded in sheer submission. Daddy. She could get used to calling her man that especially if he keeps this up. This is sexy as f---. This is the first issue of the While
