Quest of the Wizardess chronicles the travels and travails of young Bellia. After her wizard family is assassinated when she is fourteen, Bellia seeks anonymity as a blacksmiths helper. When that doesnt work out as expected, she flees to the army. Her extraordinary physical and magical skills bring unwanted attention and she must escape again. After finding a too-placid refuge, she takes the opportunity to seek out her familys killers. Revenge becomes her quest that takes her to a lost temple, unexpected alliances and a harrowing confrontation with her enemies. Second Edition: This new edition has been edited to address some pronoun issues as well as changes to improve grammar and readability. FANTASY - EPIC/YOUNG ADULT/COMING OF AGE
