

## Snoopy & Woodstock: Best Friends (Peanuts)

Sixty years after the debut of the Peanuts comic strip, this kit commemorates the enduring friendship of Snoopy and Woodstock. They share a love of ice hockey, ice cream, and so much more. Woodstock chirps out birdspeak, a one-of-a-kind language that Snoopy is fortunate enough to understand, so they can communicate in a very special way. Its kind of like that with your own best friend, isnt it? This is a perfect gift for the Peanuts fan or anyone with whom you share that exclusive bond called friendship. The kit includes bendable figurines of Snoopy and Woodstock and a 32-page guide to maintaining the perfect friendship.
