WINNER OF THE BOLLINGER EVERYMAN WODEHOUSE PRIZE FOR COMIC FICTION Michael Beard is a Nobel prize-winning physicist whose best work is behind him. A compulsive womaniser, Beard finds his fifth marriage floundering. But this time it is different: she is having the affair, and he is still in love with her. When Beard's professional and personal worlds collide in a freak accident, an opportunity presents itself for Beard to extricate himself from his marital mess, reinvigorate his career and save the world from environmental disaster. Ranging from the Arctic Circle to the deserts of New Mexico, this is a story of one man's greed and self-deception; a darkly satirical novel showing human frailty struggling with the most pressing and complex problem of our time.

Solar Decathlon The largest solar trade show in North America is Solar Power International (SPI), and is powered by SEIA and SEPA. SPI is the premier solar event in North America.
