

Secret Toronto: The Unique Guidebook to Torontos Hidden Sites, Sounds and Tastes

Secret Toronto has been completely revised and updated for 2002. Part of ECW Press's Secret series, Secret Toronto is a unique alternative to conventional guides for one of North America's most popular tourist destinations. Secret Toronto takes you underground, inside, backstage, and through concealed doorways to find Toronto's best kept secrets; from little-known museums, to overlooked neighborhood treasures, to tucked-away green places, to exotic ethnic cuisines, to cultural surprises and activities for the adventurous traveler. Secret Toronto captures the essence of the city as it has never been captured before. New and exciting features cover such intriguing topics as Secret Salsa (including a Latin dance studio that doubles as a driving school during the day), Secret Planespotting (aviation addicts who loiter near the airport watching planes come and go), Secret After Hours (where dancing continues when the bars are closed), Secret Fantasies (an S&M bed-and-breakfast where you can rent a private dungeon for the night - continental breakfast included!), and lots of new restaurants. Whether you've never stepped foot in Toronto or have called T.O. your home for life, you'll be sure to find something extraordinary to tickle your fancy in ECW's completely revised and updated Secret Toronto.
