

South Shore Romance: Pam of Babylon Book #12

At last, with everything aligned perfectly, and her family occupied, Pam finds romance, love, excitement and joy with Senator Charlie Monroe and his rescued Greyhound, Margaret. But swirling around her are the antics of Dan and Julie and their exciting but exasperating relationship, the elders living a riotous life jet-setting between Babylon, Great Neck, and Florida, Alison and Diana spending more and more time with Miranda, Lisa and Ryan Maddox discovering bonds they never thought possible, Sandra finding true love, and last but not least, Sister Mary Joseph, settling in to a life of comfort and privilege at the beach. What could possibly go wrong?
