

MIAMI - Guide to celebrity homes, restaurants, shops, and clubs

Have you ever ask yourself where Matt Damon, Shakira or Hulk Hogans homes are, as the Villa of Anna Kournikova and Jennifer Lopez looks like or where they eat and celebrate? In this book, you will find the answers to your questions. For each house, restaurant, or shop, you will find the exact address and the corresponding GPS coordinates. By clicking on the GPS link, you can open Google Map, and you are able to zoom into the back yards of the celebrity homes, or use the information on your next visit to Miami to view the house from the street. The metropolis of Miami is the most famous city in the Sunshine State of Florida. No wonder that you can see many prominent actors, stars, and starlets. There are of course many advantages, why Miami is so popular among celebrities. There are many private islands and guarded residential complexes, where the stars have their privacy from the paparazzi. For example, the private island of Fisher island can be reached only by boat or helicopter. Another big advantage is of course the weather. Almost sunshine and pleasant temperatures around 80 degrees can be found here throughout the year.
