

Cameron 3

Drama comes in threes. Or so that seems to be the case with Cameron. A shocking revelation followed up by a series of unfortunate events has left her stranded, hurt, and feeling more alone than ever. With the love of her life locked up, and a friend of her deceased ex wanting to be the special man in her life, what will Cameron decide to do? And whatever decision she does make, will it be the best one? New friends, faces, and drama added to the load she already has, will Cameron be able to make it out unscathed, and will her and Judes relationship survive even with the many obstacles in the way?
