

## Walters Christmas-Night Musik

A little magic, a little Mozart, a big miracle on Christmas Eve... Nothing has gone right for Walter Gunther since his wife died. He had to sell his music store to pay her medical bills and take a job as a clerk in Disks Galore, a big box music store. His manager bullies him and knows nothing about the classical music Walter has cherished all his life. The man can't even pronounce Mozart's name correctly. But when Walter is forced to work late on Christmas Eve, he receives a musical gift beyond his wildest imagining. Originally published in *Realms of Fantasy* (December 1997), *Walters Christmas-Night Musik* was hailed for its affectionate musical expertise and good-natured charm, by *Locus* reviewer Mark Kelly, who also chose it as the best story of that issue. A warm and wonderful story sure to delight music lovers everywhere.
