

A Storm in Tormay: The Complete Tormay Trilogy

The new trilogy written in the old tradition of epic fantasy. This omnibus edition includes the first three books in the Tormay series and is more than 750 pages of magic, mystery and adventure. **THE HAWK AND HIS BOY** Jute robbed the wrong house. He robbed the wrong wizard. And now the young thief is on the run for his life. Everyone wants to kill him. But he doesn't know why. What's even worse, he's about to find out. In a land of ancient curses and even older magic, nothing is as it seems. Jute befriends a talking hawk, a guilt-ridden assassin, and a strangely forgetful ghost. Maybe they can stay alive long enough to save themselves. And the entire land. But they're about to discover the truth about evil. You can run as fast and as far as you can, but you can never escape the Dark. **THE SHADOW AT THE GATE** The servants of the Dark have infiltrated the city of Hearne in search of Jute. Desperate to escape, the boy flees the city and heads into the wilderness of the north. But the ghosts of the past have other plans for him and, soon, Jute and his friends must choose between their own deaths or the destruction of the entire land. All the while, the mysterious lady Levoreth races against time in order to discover who is behind the schemes of the Dark. **THE WICKED DAY** Jute and his companions track the kidnappers of the girl Giverny Farrow, but they soon discover the Dark is raising an army to destroy the realms of men. As the little group of friends journeys across the frozen mountains of the east, they fight shadows and sorcerous creatures as they seek the lost girl in the mysterious city of Ancalon. The land of Tormay teeters on the brink of war, and the duchies look to Jute as their last and best hope. But there is an ancient evil waking that even all the power of the wind cannot hope to defeat.
