

Sweet Misfortune: A Novel

Sophie owns a chocolate shop where she sells Misfortune Cookies-dipped in bitter chocolate they contain messages she handwrites each day such as Your car seems fine now, but just wait...it will eventually be a source of frustration and unexpected delay. What starts as a gimmick, turns into a surprise hit with customers. But when her ex-fiancee moves back to their small Washington town, he is surprised at how bitter and unhappy Sophie has become. He proposes a bet--she must place an ad in the paper that simply states Wanted: Happiness. If at least 100 people respond, proving happiness isnt a myth, she agrees to a date with him. If not, hell leave her alone forever. Sophie is convinced shell win, but fate has other ideas when a reporter at the paper is intrigued by the ad as a story and posts it in newspapers across the country.
