

Shadowed Promise: From riots in Bombay to the riches of Beverly Hills...

A fast-paced romantic saga with family secrets and politics...Moynas cousin panted at the doorway, heavy with child. Who did this to you? her father shouted. And Moyna knew that somehow she would be blamed for this unspeakable shame on the family. Her aunt blamed her for all the tragedies, from the death of Moynas own parents to the riots in Bombay. But, as her cousin lay dying of stab wounds, Moyna promised to protect the baby. In a panic, eighteen-year-old Moyna made a hasty decision that would return to haunt her years later. Bullied as a child, Sameer wants to make the world a safer place. He has spurned a cushy career in his fathers law firm for public service. Sameer is drawn to the mysterious Moyna when they meet in Los Angeles. The attraction seems mutual, but Moyna remains cautious and secretive about her past, insulating herself from love to protect others from her unlucky curse. At the cusp of political victory, Sameer faces increasing gun violence and death threats leading to an FBI investigation. But his greatest challenge comes when a shadow from Moynas past threatens to destroy their future. What hope do they have with the media hungering for a scandal? A story of friendship, redemption, and forgiveness, Shadowed Promise is a journey from blind faith to triumphant love. What others are saying: I couldnt put it down!
