

Arts and Crafts Stained Glass Pattern Book (Dover Stained Glass Instruction)

Inspired by the elegant simplicity of the Arts and Crafts movement, this compilation of original patterns is the handiwork of an expert in stained glass design. Artists and artisans will find a wealth of design options among its 73 handsome motifs. Here is a garden of florals, with sprays of blossoms and single buds, running patterns of flowering vines, and other images drawn from the natural world, many reduced in the sinuous curved lines that foreshadow the development of Art Nouveau. Framed by oval, rectangular, square, round, and half-round borders, these royalty-free designs are easily adapted for use in a wide variety of craft projects.
