

Sunder the Hollow Ones (Book 4) (S. W. Tanpeppers GAMELAND)

SERIES DESCRIPTION: Six young tech-savvy hackers and coders break into Long Islands Gameland, a once-militarized wasteland that has been abandoned to the Infected Undead for over a decade. Now reclaimed by a megalithic corporation with deep ties to the government, Gameland has been turned into live-action virtual reality survival gaming arcade. But while breaking into The Game is a lot easier than they could ever have imagined, breaking back out ends up being one hell of a killer. The entire 8-episode package is also available separately for a one-time purchase at considerable cost savings. **EPISODE 4: Sunder the Hollow Ones** A mutiny in the group splits the members, leaving Jessie out in the cold. As she continues to struggle to fulfill her promise to bring everyone safely home, a chance encounter with one of Gamelands residents dredges up deeply buried memories, leaving her feeling haunted and doubtful about her future. Approximately 44,000 words (roughly 160 pages) Not recommended for readers under the age of 16.
