

The Jewels of Sutton Avenue

Pearl, Diamond, Topaz, and Ruby Morgan are the jewels of Sutton Avenue, who live at 3206 Sutton Avenue, where the windowsills sometimes feel like prison bars. When they are tragically orphaned after their parents are killed in an automobile accident in 1940s Detroit, oldest sister Pearl assumes the role as head of the family and Rubys mother. Since Diamond is reluctant to this idea, and Topaz complacently agrees, their living arrangement sets the stage for a lifetime of loving conflict. Pearl oversees Rubys upbringing as her personal project and allows no interference from her sisters. Their loyalty to the family is constantly tested through betrayal, disappointments, and lost loves. And when the sisters are put through the ultimate test involving their beloved home, it seems all hope is lost. Will they find the courage and determination to rise from the ashes untarnished or will they be defeated? Find out in Barbara Lewiss dazzlingly dramatic story, The Jewels of Sutton Avenue.
