

# Tai-Pan: The Epic Novel of the Founding of Hong Kong: The Asian Saga, Book 2

It is the early 19th century, when European traders and adventurers first began to penetrate the forbidding Chinese mainland. And it is in this exciting time and exotic place that a giant of an Englishman, Dirk Struan, sets out to turn the desolate island of Hong Kong into an impregnable fortress of British power - and to make himself supreme ruler: Tai-Pan! Number one New York Times best-selling author James Clavells works have become beloved modern classics. This critically acclaimed historical novel is another fine example of a master at work.
