

Adventures of Paddy the Beaver

Work, work all the night
While the stars are shining bright;
Work, work all the day --
I've got no time to play!
Everyone is curious!
Farmer Browns boy cannot figure it out.
Then Peter Rabbit and Jerry Muskrat set
their minds to the problem and try to
wrestle it to the ground. What is happening
in the peaceful meadow where the stream
flowed so quietly before -- and what does
Paddy Beaver have to do with it?
Thornton W. Burgess, famous for his tales of the
lesser folk in fur and feathers, first
entertained young readers in the 1910s ...
and his books have kept doing so, decade
after decade, down to the present day.
