

## John Waynes the Alamo: The Making of John Waynes 1960 Epic Film

This is a comprehensive and amazing inside look at John Wayne's greatest dream...to recreate on film the TRUE story of one of the most inspiring events in US History. The book explains how the Duke spent 14 years preparing for this film and an equal number of years working to pay the expenses this movie cost him PERSONALLY. He believed in this project so much that he risked EVERYTHING putting it on film....sparing NO EXPENSE...in time, effort and money. The book is packed with glossy color and b&w pictures....interviews, and background information about EVERY aspect of this great motion picture....The Alamo.
