

Holiday Mates: Supernatural Enforcers Agency Short Stories

Enjoy this collection of Supernatural Enforcers Agency holiday themed short stories. From Christmas to Fathers Day the stories continue from the books, with stories about old characters as well as new ones. The stories are also available to read online for free at: <http://elizabethannprice.wix.com/eapricenovellas> This collection is just for anyone who wishes to purchase for their reading device. In these stories, jaguar shifter Diaz has his hands full on Christmas Eve literally, when hes caught in a hostage situation and tied to a grumpy penguin shifter. Cutter and Lucie have a memorable Valentines thanks to a Cupid wannabe. Erin and Gunners Valentines is cut short by an annoying ghost who is anything but friendly. Diaz, along with the bear shifter Boris and swan shifter Cecile learn to be wary of leprechauns the hard way. Gorilla shifter Mason tries to keep up with a tenacious bunny while hunting eggs. Lioness Avery meets her hero on Cinco de Mayo. Boris and Cecile have to deal with snooty swan shifters on Mothers Day. And lion shifter Rick eats an enchanted cupcake with very happy results! Caution! This does contain swearing (theres a lot of use of the f-word!), as well as scenes of a sexual nature with m/f interaction intended for mature readers.
